2020 Texas Monthly Notice Calendar for Public Projects

Texas monthly notices are due by the 15th of each month.

Sending notice is usually required to secure bond claim rights. Parties contracted with the GC need to send a 3rd month notice for every month work is performed and unpaid. Parties not contracted with the GC need to send a 2nd month notice and a 3rd month notice for every month work is performed and unpaid. Visit Levelset.com for more information about notice requirements.

This calendar takes into account when the 15th falls on a weekend or holiday, shifting the deadline to the prior business day.
