THE LIEN above described was recorded by the Claimant against the Property, owned by the Owner. Pursuant to the provisions of California Civil Code §8460, the Owner and Claimant agree to provide a credit of 90 days from the date of this Notice's filing, thereby extending the lien's validity for 90 days following the expiration of that 90-day credit period. The Owner waives any right to object to the lien on the grounds of timeliness of any action to foreclose the Lien brought within 90 days after the expiration of the 90-day credit period.
