

Other Levelset customers are sending visibility docs on **every job**.

Danetta cut late payments **in half**.

As soon as she began sending preliminary notices up front on every job, Danetta started getting paid “so fast it would make your head spin.”

Danetta is the Controller at Intl. Marble Industries.

Katy saved **3 hours per job** tracking deadlines.

It used to take Katy a full day to track notice requirements & deadlines in spreadsheets. With Levelset, it only takes 15 min so she can easily send notices on every single job.

Katy is the Accounting Manager at Central Texas Lath & Plaster.

Dennis secured over **\$3.7 million** in 6 months.

Before Levelset, Dennis could only send notice sometimes because he lacked key job details. Scout Research fills in the gaps so he can notice every job - more than 700 per year.

Dennis is the Administrative Manager at California Access Scaffold.

Worried sending notices will damage relationships?

It won't.

Notices are designed to benefit the people you send them to, like your customer and others on the job.

Levelset also offers extra-friendly options like custom cover letters to help your customers understand how notices help them.

Don't think notices are helpful when things are going well?

They are.

Sending notice at the start of a job opens up communication and sets expectations.

Even when you aren't worried about payment, sending visibility docs like preliminary notices is good for everyone.

93% of people who get our notices find them helpful

98% of the time, sending notice means no liens

“**Sending notice on every job made a world of difference.**”
